Information

Beautifully hand-crafted from tightly woven rattan, our set of 2 beautiful rectangular storage baskets are practical yet decorative. Classic in design and workmanship, this french style basket is a must have. A perfect storage option for laundry rooms, living rooms and bedrooms.

Rattan is a close relative of the palm tree. It is a type of a vine that rapidly grows in South East Asia. It grows in the shape of a pole, and its diameter varies between one to three inches. Rattan is one of the strongest woods with a strong core and is thus durable and hard to break. Assorted style baskets are available in various sizes and shapes.
