Description

Hand gathered driftwood sticks found on the beaches of South East Asia, are used to create this art stand that has a natural look blending well with all types of decor- Contemporary, Traditional, Urban, and more. Pieces are selected individually to create this one of a kind piece of art that is unique in any space it occupies.

Driftwood is wood that has been washed onto a shore or beach of a sea, lake, or river by the action of winds, tides or waves. Our driftwood used is a unique 'found' object gathered from the beaches of Indonesia. Each piece is one of a kind.

Also available as mermaid, seahorse and fish.
