Description

The amazing handcraft ship of this console is recognized as each piece is individually hand-crafted from a solid piece of Suar wood. Our furniture makers have incorporated the natural shape of the tree into their design, allowing you to see the beauty and grain of the tree. Each console table is as unique as the tree it is made of. Truly, a one-of-a-kind, statement-making work of art.

Made with SUAR WOOD, a hardwood with a straight grain and variations in color. Natural variations in wood make each table unique. SUAR is a fast-growing tree and easily replaced in its native forest.

Skilled artisans work together to create this collection for Ibolili. They are proud of the work they do and they respect the environment and resources that are given to them. We are very happy to support their work and look forward to growing this collection with them.
